

"Do it with Dung"

FROM THE **MOUNTAINS**
TO THE **MURRAY**

Kergunyah/Gundowring Landcare Group

Cordially invites you to attend a

DUNG BEETLE MONITORING & IDENTIFICATION WORKSHOP

Our Project is seeking volunteers to undertake fortnightly monitoring of dung beetle activity on their properties. The monitoring results will be used to establish:

** which species are present in our area*

**seasonal and geographical gaps in dung beetle activity*

Monitoring results will be used to identify future dung beetle release sites

The workshops will also outline the benefits of dung beetles and provide information on how to care for them.

Participants will learn basic techniques in dung beetle identification.

~ALL WELCOME~

Kergunyah Hall

Sunday 13th January

2.00pm- 4.30pm
