SWAMPS, RIVERS & RANGES

This event is delivered as a part of the Bush for Birds program

Woodland Bird ID in North East Victoria

Join us as we hear presentations on Woodland Birds in North East Victoria and including information on:

- Useful ID tips, tricks and tools to use
- Rare and special species in the North East
- Some results from local surveys

A discussion with local panellists- Richard Loyn, Neville Bartlett and Ben Humphries, including question time will follow the presentations.

This event will be presented online, you can register to attend via the following link <https://www.trybooking.com/BTXHN>

When: Wednesday 8th September
Time: 6-7.30pm
Where: Online
Cost: Free

For more details please contact our Project Coordinator Sophie via swampsriversranges@gmail.com
