

INNOVATIVE HOUSING FORUM

LEARN ABOUT

- Innovative housing models here and overseas
- Energy efficient, low maintenance, lower cost housing for:
 - older people wanting to downsize
 - young people wanting to enter the housing market
 - single parents
 - ageing in place
- Housing models where homeowners share communal spaces and facilities to reduce costs and build community
- Funding models for like-minded people to collaborate to create the housing they want at a lower cost

SUPPORTED BY THE YACKANDANDAH COMMUNITY CENTRE
