

# Hurrah for Hume's Biodiversity

## Sharing our Biodiversity Stories

Come along to hear about a range of biodiversity projects delivered across the Hume Region.

Over the last few years, DELWP has funded a wide variety of community and agency-led projects supporting biodiversity actions within the Hume Region.

We're now keen to **celebrate** Victorian's valuing nature and want to **connect** people across the region to **share** stories of what happened, what's been learnt and what happens next. Please join us at one of the following events!
